Pomegranate

Greetings!

Welcome to Pomegranate's new big and beautiful catalog! We've made browsing easier this year by combining all of our gift catalogs into one volume. You'll still find our calendars, books, and holiday cards in their own individual catalogs, but everything else is here: jigsaw puzzles, notecard sets, home decor, games, coloring books—for kids and adults—and so much more. It's a veritable art emporium, featuring images from the Renaissance to present day, from Albrecht Dürer to Eric Wert.

All of us at Pomegranate are committed to the precept that art is vital to individual and communal well-being. In that spirit, we wish you a robust new year, and we thank you wholeheartedly for your interest and support.

All best,
Zoe Katherine Burke
Publisher

Pomegranate's mission is to invigorate, illuminate, and inspire through art.

I have always thought that
all men should be free; but if
any should be slaves, it
should be first those who
deserve it for themselves, and
secondly those who desire it
for others. Whenever I have
anyone arguing for slavery, I
feel a strong impulse to say to
them in his presence.
