FC004
Charley Harper's I Am Wild Flash Cards
ISBN 978-1-0875-1024-8

What has pink feathers and long legs? Which creature carries its house on its back? Which furry forager wears a mask? Charley Harper's I Am Wild Flash Cards teach youngsters to recognize wildlife—in the sky, in the ocean, in America's national parks, and even in backyards and urban areas. With Harper and his Midcentury Modern animals, kids will learn to spot a flamboyant flamingo, a tremendous turtle, and a rascally raccoon—among 50 different critters in all—while building vocabulary and memory skills. An information booklet adds to the entertainment and education value, with habitat notes about where various creatures call home.
